It is the endeavour of the Government to raise the GER of SCs in higher education from 23.0 % to the national average in the next five years. Similarly, the GER in Senior Secondary education of SCs has to increase from the current 56% to the national average in the next five years. Towards this end, special focus of the implementing agencies is required to achieve the goal.

Post Matric Scholarship for SCs: Scheme Guidelines

6.2 All the SC students with annual income of up to Rs 2.50 lakh per annum would be eligible under the scheme. However, the State Government will additionally make special efforts to identify the poorest households from various sources and enroll the eligible students under the scheme in a mission mode. Further, these students would be monitored on regular basis so that they continue with their studies. Such students shall include (i) students from SC households with three or more deprivations as per SECC-2011 (ii) students from SC households where one or both the parents are illiterate and (iii) the students who have passed 10th standard from a State Government/ Municipality/Local Body school. In this regard, States/UTs will launch special campaigns to identify and cover such students.

6.3 States/UTs may adopt methodology suitable to the local conditions for identification of such students e.g. SC majority districts/blocks/villages may be taken first for identification of poorest students or students leaving class 10th or 12th class may be tracked in association with the education department or data emanating from other Central/State schemes indicating the dropouts rates or other sources as deemed fit. Every State Government shall undertake a campaign every year in March/April to identify such students and mentor them to enrol and avail scholarships. Such students will be helped for identification of courses also as per their skills.

6.4 Awareness drive shall be undertaken by the State Governments/UTs about the scheme through the Gram Panchayats Notice Boards, school committees, and discussions in the parent-teacher association meetings and other public awareness measures, in order to extend its coverage and also minimize any misuse by unscrupulous elements.

6.5 The States are required to take up identification of the students for fresh enrolment by taking up systematic drive covering all the higher secondary schools and encouraging the pupils who have dropped out after Class 12th to come back to higher education.

6.6 It is essential that the fresh enrolments to the extent possible are made in the courses which are having employment potential. For this purpose, the State may do an exercise in consultation with the Higher Education Department of the State Government, and the State Skill Mission for identifying courses which would improve the employment potential of the students. It is strongly advised that fresh enrolment may be made in these courses. Such skill courses should be long term courses with periodicity of at least 1 year and conducted by the institutions as per Para 4 of the scheme guidelines.

6.7. State Government will ensure that the beneficiary, at the time of admission, applies for the scholarship also. In this regard, the State Government may open facilitation centers

Post Matric Scholarship for SCs: Scheme Guidelines

or nominate a nodal officer in the educational institutions so that the entry into the student database for renewals and fresh admissions can be done in a stipulated timeframe.

6.8 The State Governments shall put in place a scholarship portal that has all features as prescribed in para 13 of these guidelines and share the data on a real-time basis with the Central portal.

6.9 The State/Central Government shall have robust monitoring systems, including field inspections, social audits, data analytics etc. so that timely payments are made to eligible beneficiaries.

6.10 States/UTs shall ensure that Fee Rationalization/Fixation Committees are set up for all courses.

April, 2022 and in this regard Department will issue separate orders on Annual basis.

7.4 The State Governments may, if they so decide, top up the academic allowance from their own resources.

8. Freeship Card and process for issue

8.1 All eligible students shall be entitled to take admission in the institutions without pre-payment of tuition fees and hostel fees as per the Scheme Guidelines. To enable this, a FREESHIP CARD will be issued by the State Government to the eligible students, as per procedure detailed below. This Freeship card shall make the student eligible to study in the institution without pre-payment of the fees, and on the condition that as and when amount is released to the student's account, the institution would be intimated to collect the same from the student.

8.2 The student shall, well before the expected date of admission, register for issuance of a Freeship Card on the respective scholarship portal giving the details like the Aadhaar number, the name of the course in which he/she wants to take admission (e.g. MBBS, B.Sc., Class XI etc.) and an undertaking that the institution's charges would be paid within 7 working days from the date of receipt of the scholarship amount in his/her account. For the purpose of registration of Freeship Card, the portals shall remain open throughout the year.

8.3 The verification of the income, caste and merit details should be automatically done from the databases which are linked online for instant verification. The process should be entirely paperless. Until the above system is brought into effect, the documents may be scanned and uploaded which include: passport size photograph, copy of each of the certificates for diploma, degree etc. in respect of all examinations passed, Caste certificate duly signed by the authorized officer, valid Income certificate issued by the competent authority as prescribed by the State Govt. etc.

8.4 After the registration on the Portal, if the student is found eligible, all States/UTs will complete the verification process within 30 days from the receipt of the registration request from the students and issue the Freeship Card through the IT portal, mentioning the course

Post Matric Scholarship for SCs: Scheme Guidelines

for which application is made so that the eligible students are not denied admissions due to delay in depositing tuition fees. It should be possible for the student to download the Free Ship Card from the portal itself. Once complete digitization of all the required certificates is done, such Freeship Card shall be automatically generated immediately on registration, if the student is found eligible.

8.5 The Freeship Card shall contain the details given in Annexure-1, and shall be digitally signed. For the purpose of admission, the Freeship card will remain valid for period of one year from the date of issue.

8.6 If a student wants to change his/her course before taking admission in an institution, he can do so by logging on IT portal and a fresh Freeship Card shall be issued automatically for all eligible students.

8.7 In case of renewal students, there shall be no need for fresh registration for the Freeship card and a card once issued to him/her shall be valid for the entire duration of the course.

9. Application for Scholarship and Verification

9.1 **Application-on-the-day-of-admission:** The institutions shall ensure that all students admitted to their institution and having Freeship Cards issued as detailed in para 8 of these Guidelines, apply on the IT portal for the scholarship **on the same day as the date of admission into the institution.**

9.2 On the day of admission itself, the institution shall verify on the scholarship portal that the student has taken admission in the institution with the same course as mentioned on the Free ship card and is now a bonafide student of the institution.

9.3. In case of renewal students, the student shall be auto-renewed based on the attendance and confirmation from the institution of the student having been promoted to the next class and having joined back the same course as hosteller/day scholar, as the case may be.

10. Funding Pattern of the Scheme

10.1 There will be a 60: 40 sharing ratio between the Centre and States (90:10 in case of North Eastern States) of the average demand for the scheme for three year period 2017-18 to 2019-20 (to be considered as the base period), with a 5% overall annual increase each

Post Matric Scholarship for SCs: Scheme Guidelines

year in the Central assistance for all States put together in absolute terms w.r.t. base period. The above shall be applicable from 2020-21 onwards and the scheme will be continued upto the financial year 2025-26.

10.2 Thus, for the purpose of determining the demand for the year 2020-21, the average demand of 2017-18 to 2019-20, or the actual demand for 2020-21, whichever is lesser, will be considered for each State/UT. For subsequent years i.e. 2021-22 & onwards, the Central assistance for all States put together will be limited by a 5% annual increase over the average demand for the scheme for the base period of 2017-18 to 2019-20, which shall be ensured by the Project Appraisal Committee (PAC) while appraising the States' Annual Action Plans. The Ministry will have the flexibility of adjusting the allocation of funds between the States subject to the total allocation approved, without disrupting the 60:40 sharing ratio between the Centre and the States.

10.3 If the total fund requirement is over and above the annual 5% limit, the central share will be limited to that and the additional requirement of funds, if any, shall be met by the State Governments from their own resources.

10.3. All the State Governments and Union Territory Administrations implementing the scheme will maintain the data of all the beneficiaries on their online portal and will distinctly mention the amount of scholarship under various components as mentioned in the Scheme.

11. Payment Mechanism

11.1 The entire scholarship amount - both from the State and Central Government - including the tuition fees, academic allowance and any other admissible allowance will be paid directly into the account of the students **ONLY through DBT** preferably through an Aadhaar Based Payment System (Aadhaar Payment Bridge) from 2021-22. The States shall preferably release the payments through PFMS System so that the accounts of the students are not required to be validated again.

11.2 Starting from 2021-22, the Central share in the scheme would also be released on DBT mode directly into the bank accounts of the students, after ensuring that the concerned State Government has released their share.

11.3 All the States/UTs/Centre would adhere to the following timelines for processing of the applications and release of scholarship amounts:

Post Matric Scholarship for SCs: Scheme Guidelines

- The scholarship portals would remain open throughout the year so that all eligible students can register for the Freeship Card and apply for the scholarships.

There should not be any requirement for the student to apply for renewals.
 - i) A performance module to monitor the progress of student as well as performance of the institution should be suitably designed and incorporated.
 - j) Apart from this, the States shall maintain a complete database of the beneficiaries under various other scholarship schemes to ensure de-duplication of the beneficiaries.
