

SAT JINDA KALYANA COLLEGE, KALANAUR (ROHTAK)

Action Taken Report (Feedback-Curricular Aspect)

Session: 2021-2022

Based on feedback on the curricular aspect collected from Students, Teachers, Employer and Alumni, the following actions have been taken:

S. N.	Observations/Suggestions	Action Taken
1	More educational tours should be organized.	The college has organized educational tours in the past. An educational tour to Akshardham Temple and Lotus Temple, Delhi was organized by the Department of Geography in the Session 2021-2022. The college intends to organize more tours in the future also.
2	ICT and other facilities for the effective teaching-learning process may further be improved	The college has infrastructure and facilities for effective teaching-learning. However, to cater to the increasing needs of newly introduced PG courses, the college needs to upgrade its existing infrastructure. This matter has been considered in the meeting of the college governing body and the committees to accomplish the task have been constituted.
3	The theory and practical aspects of the syllabi need to be more balanced.	The college has communicated such suggestions to the parent university in the past. The suggestions received in the Session 2021-2022 were also communicated to M.D. University Rohtak for consideration. To inculcate skills, the college offers Add-on courses for the students.
4	The curriculum should be revised as per the contemporary needs	
5	College teachers should be given more opportunities to contribute to the process of framing the curriculum.	
6	The aspect of innovative thinking, skill - orientation and sense of entrepreneurship may be given more consideration.
